

Mathematics Teacher Requirements:

We are seeking to recruit inspirational and motivated teachers to join our Independent Secondary School in Hong Kong.

Experienced required for starting immediately with at least 1 year experience (preferred).

Newly registered teachers are welcome to apply for the position.

The applicant must have an appropriate degree and ideally a PGCE or PGDE and have experience teaching IGCSE, AS/A-levels.

Candidates need to be Permanent Hong Kong resident or possess a valid visa to work in Hong Kong. Candidates must be a registered teacher (RT) under Education Bureau in Hong Kong.

Immediately available is preferred.

If you share the values and philosophy of our school and would like to join a dynamic international team, please send your cover letter, CV, academic certificates along with your expected salary by email to recruitment.sris@gmail.com. For further enquiry or information on this position, please email us at enquiry@sris.edu.hk or call on tel. (852) 2547-5479.

All Personal data collected will be used for recruitment purpose only.
